

# COMPUTER GENERATED ART : ARTISTIC RENDERING OF IMAGES

CS60050 : MACHINE LEARNING TERM PROJECT

**Mean**

**Naive Bilinear  
Implementation of  
separation of style and  
content**

**Mode**

## 2D Image Stylisation using CNN

# Neural doodle

**STYLE APPLIED**

# Stylisation of Videos using CNN

Style applied

The background of the slide features three overlapping circles. The leftmost circle is solid black. The middle circle is a dark gray and overlaps the right side of the black circle. The rightmost circle is a light gray and overlaps the right side of the dark gray circle. The text 'Thank You' is centered within the black circle.

**Thank You**
